

Rudraksh Pradhan

Software Developer | +91 89458 14302 | rudraksh.p.0223@inspiria.edu.in | Siliguri, West Bengal – 734005 | [LinkedIn](#)

CAREER OBJECTIVE

Detail-oriented Web Developer with hands-on experience in front-end and back-end development, CMS workflows, and performance optimization. Experienced in building and maintaining client-facing websites using HTML5, CSS3, JavaScript, PHP, and MySQL. Eager to contribute to a dynamic creative agency environment while continuously expanding my technical skill set to meet evolving project demands.

EXPERIENCE

Web Developer Intern | TIEEDI | Nov 2024 - Jan 2025

- Developed and maintained client websites (tieedi.in, zerowasteandolan.in) using **HTML5**, **CSS3**, and **JavaScript** within **WordPress** and **CMS** workflows.
- Configured and managed backend website databases using **PHP** and **MySQL**, ensuring data integrity and smooth site functionality.
- Optimized site performance through image compression and load-speed enhancements, improving user experience and measurably reducing page load times - directly supporting **SEO** goals.
- Demonstrated professional accountability by applying feedback in rapid iteration cycles, consistently delivering improvements ahead of schedule.

PROJECTS

Local Business Promotion Web Application | Personal Project | Feb 2026 - Ongoing

- Architected a local business discovery platform enabling real-time promotional updates and discount access, designed for practical community use.
- Built using **Python**, **Streamlit**, **FastAPI**, and **SQLite**; applied CMS and web development experience to accelerate the development pipeline.
- Focused on scalability, clean UI structure, and backend efficiency - reflecting an end-to-end web development approach.
